Introduction and background

The Department for Enterprise's Coronavirus Business Support Scheme ("the Scheme") was established in March 2020 to provide grant assistance to support local businesses in designated sectors that have been financially affected by the global COVID-19 pandemic. The Scheme was amended in July 2020, with further amendments being made in October 2020, January and March 2021 to allow further funding rounds to certain eligible businesses in the Tourism and Travel related sectors who have suffered a 50% reduction in turnover caused by the border restrictions imposed due to the COVID-19 pandemic.

The Scheme is made by the Treasury under the Financial Provisions and Currency Act 2011, a copy of which can be found at https://legislation.gov.im/cms/images/LEGISLATION/PRINCIPAL/2011/2011-0021/FinancialProvisionsandCurrencyAct2011_2.pdf

The Tynwald Scheme can be found at https://legislation.gov.im/cms/images/LEGISLATION/SUBORDINATE/2020/2020-0156/CoronavirusBusinessSupportScheme2020_5.pdf

The latest Treasury Notice regarding the Scheme can be found at https://www.gov.im/media/1372053/treasury-notice-gc-2021_0032-final.pdf

This guidance is issued by the Department for Enterprise in accordance with paragraph 12 of the Scheme and sets out how the support is to be administered.

It is intended that the grant payment is used to support the business in numerous ways which can include, but not limited to, the following: -

- Alleviate cash flow issues;
- Paying business liabilities;
- Fund marketing initiatives;
- Invest into the business and its assets;
- Undertake business improvement projects; or
- Personal expenses.

It is hoped that the support provided will help those businesses to continue trading both during and after the ongoing global crisis.

Note that the Department provides other forms of grants and assistance, details of which can be found at www.iomdfenterprise.im/financial-support

For further advice and guidance regarding the Department's grants and assistance schemes and the criteria for eligibility, including for this Scheme, potential applicants are encouraged to complete the online enquiry form hosted at www.gov.im/businessenquiries

Please note that providing false, incomplete or misleading information in connection with an application under this Scheme is an offence. The maximum penalty is a fine of level 5 on the standard scale and/or six months in custody.

1. THE CORONAVIRUS BUSINESS SUPPORT SCHEME

1.1 Purpose and scope

The purpose of this update to the Scheme is to provide a further three months' support by way of financial assistance in the form of a single grant payment to those applicants that meet the Scheme's eligibility criteria (please refer to 1.3) and which declare on the application form that the ongoing border restrictions imposed due to COVID-19 pandemic have caused a 50% reduction in turnover in the relevant period and that more than 50% of their annual income is usually gained from tourism and travel related activities.

"Applicants" are defined (and subject to other eligibility criteria) as being one of the following: -

1. Self-employed individuals;
2. Sole traders owning a business with no staff other than the owner;
3. Partnerships where both parties are the owners and have no other employees; and
4. Businesses including limited companies with no staff other than the owner(s).

Support will only be provided to "applicants" as defined above and therefore public sector bodies, charities, sports organisations and not for profit organisations etc. are deemed ineligible.

The aim of the assistance is to help sustain qualifying businesses during the ongoing difficult trading conditions with the intention that the supported businesses will hopefully continue to operate during and following the end of the pandemic.

Important note - Applications for this payment round will open on 1st April 2021 and close on 31st July 2021. Any issues with submitted applications must be resolved by 31st August 2021, failure to resolve issues by this date will result in the application being closed and no payment will be made.

Applicants may wish to note that free of charge support is also available through the [Business Improvement Scheme's](#) (BIS), Business Advisory Service. The Department provides a consultant to discuss the business, any issues, ideas for business change etc. The consultant will provide a short summary report. This is then followed by a shorter meeting a few months later to review progress and answer any further questions.

1.2 Overview of available support

The Scheme offers financial support to eligible applicants in the form of a single grant payment of £3,000.

Tourist accommodation providers, with the exception of registered permanent camp sites without glamping facilities, are ineligible under this Scheme but are encouraged to contact the Department's [Visit Isle of Man Agency](#) and enquire regarding the [Strategic Capacity Scheme](#).

If you operate a business with any employees other than the business owner(s), please visit the Department's [Coronavirus Recovery Scheme](#) guidelines.

Following receipt of a correctly completed and eligible application form, the Department will seek to process applications within approximately 3-5 working days of submission of the application. Once the Department has determined eligibility, the Department will confirm the applicant's standing with regards to Income Tax, National Insurance and VAT with Treasury. If these checks fail, the application will be rejected by the Department and the applicant will be informed via email.

All applications for a grant must be approved by a person designated by the Department.

d) Payment

The Department will authorise the payment to be made. All payments will usually be made into the applicant's business bank account approximately 5 working days following approval, with the payment runs usually being completed on Wednesdays. These may differ depending if there are any Bank Holidays or if demand dictates.

e) Declined applications

The Department will notify ineligible or rejected applicants via email stating the reasons for the refusal and where appropriate, provide information as to the manner in which a defective application may be rectified.

f) Review of decisions

If an applicant has been refused and wishes to request a review of the decision, the applicant must clearly and concisely state the reasons for the decline, the reasons for the review, any measures undertaken to resolve the issue and provide any additional supporting information.

The Department must appoint an officer of the Department (other than an officer involved in the original decision) to adjudicate on the review. The review officer's adjudication will be final.

The reviewing officer will then consider whether the correct decision has been made in relation to the Tynwald Scheme and the Scheme's guidelines etc and cannot take into account hardship and personal circumstances etc.

The reviewing officer does not have the authority to make exceptional one-off decisions which do not comply with the Scheme's legislative framework.

A request for a review of a decision must be made in writing within 10 working days of the date of notification of that decision.

An application may only be reviewed once.

Review requests should be either emailed to enterprisesupport@gov.im or sent to:
